

Ffrindiau Ysgol Pontrobert Statement

Ffrindiau Ysgol Pontrobert is a charity that was set up to raise funds for the benefit of pupils and their education as well as all children in the Pontrobert community.

We aim to provide extra facilities, equipment, transport and extracurricular activities that are beyond the boundaries of the schools own budget.

We also aim to improve and enhance their education whilst at the same time organising fun fundraising activities for the pupils, their families teaching staff and the surrounding community.

We provide and maintain the recreation grounds of Parc Eifion, this is for the enjoyment of all and the school use it for the purpose of their sporting activities.

Ysgol Pontrobert is very much at the heart of the community; the benefits that Ffrindiau bring to it, the pupils/teachers are numerous and appreciated.
